My dear Sir

In re Sockingeri Swamy's
Case to Narasipur, an order
upholding the mamool as recom
mended by you will issue
to day and may reach your
hands tomorrow.

The objection of some of the
residents of the place to the
procession in front of Uttradi
Matt is simply futile especially
having regard to the fact that

Sem the priest of that district is
living in it now and did
not so live for several yea
past.

Unless you have an
urgent work elsewhere it is
advisable that you should
personally attend to the
arrangements and carry
out the instructions with
giving cause for dissatis
faction to any Communion
If you should personally

explain to the principal men
the station and also to the
orderlies that you will
amply follow the manner
observe the procedure
allowed in 1866 and that
the men who were turbulent
then were punished by the
then Deputy Commissioner
half or even entire opposition
will die away.

You should be gentle

Sir,

Referring to your Telegram Dated this day, calling upon me to find out and report the Mamool when Srungeri Guru had visited Holé Narsipur, I have the honor to report as follows:—

2— From the records available in this office the Guru appears to have visited the Temple of Lukshmi Narasimhaswami on the

Guru o

evening of the 4th February 1866 at
8 P.M. The Archika of the Temple, it
would appear, with the help of some
of the Madhava Brahmins residing
at the place closed the inner door
of the Temple with the object of
preventing the Swami from wor-
shiping the idol with his own
hand. But after a while, under
orders of the Talak authority, the
door was opened and the Pooja
was performed by the Guru with
his own hand by "Sivarmapushpam"
(in the shape of 108 Rupees). Of which
the Archik was permitted to
take Rupees 27/.

3 — The Madhava Brahmins had
intended to obstruct the Guru from
Passing.

passing through the Street where the Rotiajee Dutt is, but from the report of the Killedar filed with the record it is clear that the Guru passed in procession unmolested with the aid of the Police through the Street; that all due respects were shown to him and that every thing passed off satisfactorily

4 — An enquiry was thereafter held by the Amildar and the Archik having been found guilty of having made the Guru wait in the Temple by delaying in opening the door, was fined Rupees 2/ by the then Deputy Superintendent. He having been dissatisfied with the order passed made an appeal to the Superintendent of the Ashtagram Division without effect.

5. As the Guide is expected very soon at Holé Narsipúr, orders have however been sent to the Amildar to be on the spot and to observe — Pramood". The Surgeon Officer (General Assistant Commissioner) has also been requested to be present on the occasion and see that everything is going on smoothly and well. The Police Superintendent has also been asked to make necessary arrangements to guard against any disturbance or breach of peace.

6 — I shall also go and meet His Holiness on the day of his arrival if I am informed of the date previously.

7 — The original Vernacular file is herewith submitted for perusal and return. —

I have the honor to be,

Sir.

Adverting to correspondence endin with your letter No. 78 dated 2nd May 1892, in the matter of petitions presented by the Madhwa and Sri Vishnava Communities of Holé Narasipur representing that the Swami of the Sringeri Matt who was shortly expected to visit Holé Narasipur, should not be permitted to pass in procession in fron of the Uttaradi Matt and perform Pooja with his own hand in the Vishnu Temples at the place in contravention to the mamool, I am desired to observe that on a perusal of the Vernacular Records which accompanied your last letter under reply it is quite clear that when the Sringeri Guru visited Holé Narasipur in the year 1866, he did pass

in procession in front of the Uttaradi Matt unmolested and that he also performed worship in the Temples of Chaturbhuja Pattabhi Ramaswami and Lakshmi Narasimhaswami, but in the latter Temple the Archik, first caused obstruction to the worship by closing the inner door of the Temple and that afterwards under the orders of the Taluk authority the door was opened and Pooja was regularly performed by the Guru and the Archik who first caused obstruction was fined in the Sum of Rs 2/- under the orders of the then Dy Superintendent, Col: Thompson,

In the face of the Mamool thus existing in the place, the objections now brought forward by the Petitioners cannot be allowed to prevail.

I am therefore to request that you will be so good as to take necessary steps to carry out the mamool when the Sringeri Guru visits Holé Narasipur.
